Thanks, Paul.

I am forwarding to people who may be getting inquiries from outside of eth Department.

Has Exec Sec or our office forwarded this to the Tribe for its records? If not I think they should get a copy before anyone else gets a copy. From an e-mail last Thursday afternoon, I think that Patrice was touching base with the Tribe. Patrice or Paul do you know if the Tribe knows about or has the corrected version?

Also in last Thursday's e-mail, Mike noted that the OS FOIA Officer, Ray McInerney, can help to advise AISA on posting the letter on DOI's electronic FOIA reading room. Nedra's office might be able to post this to the press release as another option. Paul, would you like for Nedra to explore these options?

Regarding the effective date, December 30, 2011, is still the effective date. The January 6, 2012, date reflects a new version that addressed clerical errors in the December letter.

If anyone thinks that my e-mail misses anything, please let me know.

United States Department of the Interior

OFFICE OF THE SECRETARY
WASHINGTON, D.C. 20240

JAN 06 2012

The Honorable Kathryn Montes Morgan
Chairwoman, Tejon Indian Tribe
2234 4th Street
Wasco, California 93280

Dear Chairwoman Morgan:

Please accept this response to your June 14, 2009 letter requesting "confirmation" that the Tejon Indian Tribe is a federally recognized Indian tribe, or, in the alternative, permitting the Tribe to organize as a half-blood community under the Indian Reorganization Act of 1934 (IRA). My letter is limited to your request for "confirmation" and does not address the alternative request.

Under limited circumstances, Indian tribes omitted from a list of Indian Tribal Entities because of an administrative error can be placed on the current list without going through the Federal acknowledgment process at 25 CFR Part 83. As a threshold matter, I find that an Assistant Secretary's authority to make this determination is not limited by the regulations at 25 CFR Part 83. In addition, pursuant to 25 CFR Part 1.2, a waiver of the regulations at 25 CFR Part 83 is permissible for my review of your request.

Upon review of the facts and history of this matter, including prior Assistant Secretaries' decisions, I hereby affirm the Federal relationship between the United States and the Tejon Indian Tribe. This concludes the long and unfortunate omission of the Tejon Indian Tribe from the list of federally recognized tribes.

Henceforth, the Tejon Indian Tribe will be included on the list of "Indian Entities Recognized and Eligible to Receive Services from the United States Bureau of Indian Affairs." The BIA last published this list in the Federal Register on October 1, 2010, at 75 FR 60810 and supplemented the list on October 27, 2010, at 75 FR 66124.

By copy of this letter, I am directing the BIA and specifically the Pacific Regional Office in Sacramento, California, to take appropriate action to deal with the Tejon Indian Tribe in accordance with this action.

Sincerely,

Larry Echo Hawk
Assistant Secretary Indian Affairs
